Service & Educational Goals:

- To collaborate with China Action-Love Volunteer Association (CAVA, <http://www.ccra.org.tw/>) to provide specialized services to the community center and elementary school in Anxien County.
- Participants will be actively training for, and leading in, two exclusive service opportunities.
 - The first program is an elementary level ESL program called Subject-based Language Acquisition (SLA) where students will custom design teaching plans based on their choice of the following subject options: PE/Health , Reading/Writing , Science/Math , and Arts/Craft. Participants will then become teachers for a week at the Anxien County Elementary School in China.
 - The second program entails providing woman and senior citizen with a health program called NEWSTART. This program will require training which will prepare the student to become holistic-health trainers. Participants will work on a individual basis with mothers and senior citizens who attend the community center in Anxien, where the NEWSTART Program will be held.

Trip Highlights:

- Be witness to the devastation left by the most powerful earthquake ever to hit mainland China.
- An opportunity to care for the impoverished families in the Sichuan Province disaster area in China.
- The opportunity to improve the quality of life for children and the elderly through meaningful educational and health programs.
- To see first-hand the other face of China.
